

POSITIVE ACTION AT KNOX

MISSION PROJECTS

Seniors Lunch & Social Time

The Mission and Outreach Committee sponsored a seniors lunch and social time on May 22nd, and what a great meal they served to approximately sixty five people: ham and scalloped potatoes, along with all the fixings. This was partly to show us the extremely delicious and nutritious meal that these people take several times a year to Evangel Hall, and the Out of the Cold Programme. What a treat it is, and I am sure the clients look forward to your coming.

Following lunch, Harry and Helen Hope gave an interesting slide presentation of their work in the Dominican Republic throughout the last several years. It was interesting to see the progress they have been making, one little step and a time.

Both the lunch and the programme gave us a tiny look into how some less fortunate people in this world live, and how our contributions to efforts such as Mission and Outreach, and the Hope's Rotary Programmes can help make the lives of even just a few people a little more pleasant.

We thank them all for their efforts.

Showing Friendship through helping others

The heart is a garden
That always has room
For the flowers of kindness
And friendship that blooms.
The beauty of friendship
As every friend knows
Is the loveliest blossom
In the heart where it grows.

Manitoba Mission Project

Recently, while Dr. Cooper attended a conference in England and Scotland, we were pleased to have our services led by Emma Duncan. She has been with us before, and we are always pleased to see her. Her husband, Richard, has been on the Manitoba Youth Mission in the past, and on Tuesday, June 8th, at 7:15 pm, at Norval Presbyterian Church, he will be giving a slide presentation in regards to that mission. Everyone is invited and welcome to attend. This is the mission project that our own Youth Group will be participating in during the summer. Refreshments provided by Knox Presbyterian Church.

Please give them your support.

Community Unity Day

Knox was one of the churches participating in the community Unity Day held on Saturday May 29th in Cedarvale Park. The weather was great, but unfortunately the attendance was not large – maybe even because of the heat.

Peter Welling and Connie van Goch were the actual spearheads of the operation, but both were not able to be present. They did, however, have many helping hands in the people of Knox.

Along with games and entertainment out doors there were hot dogs, drinks and even a seniors tea room included in the building there. Knox people even did face painting on the youngsters.

Thank you all for your work out in our community
