

FROM THE STUDY

The work of our congregation continues to build and go on to new and greater things. As you read this newsletter, you will see how much is happening within your congregation. And there are many exciting events ahead of us.

June will be special because we begin with Holy Communion and then on June 13th celebrate the Kirkin O' the Tartan worship service. Then comes Father's Day on June 20th. These events and many more are making our 150th Anniversary year very special. The special thing is that it is all of us working together to make our congregation a wonderful place to worship and fellowship.

During the month of August I will be preaching a series on the Parables. There is more information within the newsletter. Jesus' parables speak to our daily lives and the interaction we have with others. I hope that this series will be of interest to all.

As we take time for vacation during the coming months, let us remember that we are always witnesses to the love of God. A Christian can go on vacation but our faith is always at work.

May you all have a great summer and return to work hard in the mission God has given us here at Knox.

God bless you...

Dr. Jim Cooper.
