

**Ages 4 & UP**  
At Knox Presbyterian Church  
Main Street, Georgetown  
Supervised nursery for children under 4.

Events like Mama Mia Pasta, the scarf sale and more recently the pizza lunch, bring the young people and the congregation as a whole, together in Christian Faith. I am pleased to report that, in addition to providing faith based fellowship, these group efforts have allowed the disbursement of \$200 to each of Mission and Outreach, the Youth Group mission trip and the Vacation Bible School. Sunday's Cool has also purchased educational gift items for the children to commemorate the 09/10 Sundays Cool year. The funding for Krishna, Fatawu and German funding continues to be met and we recently wrote to them to give them our best wishes. Funds have been set aside

to cover the initial costs of fellowship and fundraising activities in 2010. We have recently increased our focus on the memory verse that is provided with each lesson with the intent of having the children see the Bible as a guide to life and as a source of inspiration and hope that they can turn to throughout their lives. The group is singing with greater regularity and we hope to see them in the sanctuary more often. Sunday's Cool would like to thank the congregation for their wonderful support.

.....*Yours in Christ*, Gerry Ross

## Website Facts and Figures

Kamp Knox Vacation Bible School's online registration is available on the web site. The registration form lets parents fill in details online and sends an automated email, rather than printing the form. Since there are still 'paper people' the registration form is also available in PDF format to print. If you need a registration form built for an upcoming event email the [webmaster@knoxgeorgetown.ca](mailto:webmaster@knoxgeorgetown.ca).

From February to May this year, we've had 881 returning visitors and 388 new visitors to the web site. 3 people visited with their iPhones! We had our peak visits around March 25 (37 visits in one day), which was close to Easter. Most people find us via a Google search (44%) using the key words of 'knox presbyterian church georgetown'.

If you are interested in posting an article or would like any information on our website, please email the webmaster.

I'm a little weary of all this autocorrection. I think we take for granite how much computers our always fixing are mistakes. Why waist are brane power on trivial things that computers can due four us? Shouldn't we bee learning from are mistakes?

Not when it helps build up my self of steam!
